Win a Car at the Dobbins Consolidated Club

Our Annual Membership Drive kicks off August 1, 2001, and runs through November 18, 2001. During the drive we will host a Membership Night, and Open House. The Air Force Reserve Command Services will give away a car to one “NEW” club member, and the Air Force Services Agency will give away a car to one “EXISTING” club member. If you have ever thought about joining the club, now is the time! This year’s membership drive will be our biggest ever. In fact, we are calling it our Ultimate membership drive. Our silver and gold members will be rewarded in many different ways. As the membership drive edges closer, be on the lookout for how you can benefit from joining the Air Force Club system. Call 770-919-4594 or 770-427-5551 for information.

Employee of the Quarter

The Employee of the Quarter for the Second Quarter FY 01 for the Services Administration/Recreation/Club division is Mrs. Missy Bozeman. Missy is a personnel clerk at Services, but she is much more than just a personnel clerk; she is an indispensable part of the Services team. Missy is constantly helping

other employees and Services activities without hesitation. She volunteers her time to help the club, lodging, or other administrative personnel whenever possible. Missy always goes the extra mile to help our customers. Missy is usually behind the scenes, so many of our customers are not familiar with her, but at Services we know just how valuable Missy is. Congratulations Missy!

The Employee of the Quarter for the Second Quarter FY 01 for the Lodging division is Mrs. Virginia Gober. Virginia is employed at the Dobbins Services Lodging Facility as a custodial worker, and she has worked in all three lodging buildings during her employment. Virginia is a born leader, and her work habits are outstanding. She

is always willing to go the extra mile for our customers, and she volunteers her time if she is ever needed. Virginia always has a smile and a kind word for everyone. She is an exceptional employee in every way. She is a true professional and a team player. At Services we consider her most deserving and we are very proud for her. Congratulations Virginia!

Welcome Kevin

We would like to welcome your new club manager, Mr. Kevin Gontarek. Kevin came from Portland ARS, OR where he was very successful in turning around their club operation. He has over 20 years food and beverage experience and strong credentials to prepare him for the Dobbins Consolidated Club. Upon his arrival, Kevin hit the ground running and has already made many improvements and initiated some new programs. He made improvements to the lunch line, has arranged for a new coke machine for the serving line, installed a new ice cream station on the line and is planning many new nighttime events.
